

Props- Remember to bring 3 props to class tomorrow and be ready to take your self-portrait photo. (So wear what you would like captured in your photo, do your hair the way you want to draw it). Props can be anything that is visible on your head and shoulders or in your background. You could bring in glasses, a hat, scarf, mittens, jewelry, headbands, flowers, your favorite stuffed animal/action figure, items from a sport you play, your sheet music/instrument, ribbons, a deck of cards, your favorite book, etc. Your portrait will be as creative as you make it....So think outside of the box..What could you do or bring in that will be completely different than everyone else in the class?
